

Viplus Gold 60+ Adult Nutritional Formula 800g

Viplus Dairy is one of Australia's leading milk formula manufactures, specializing in a diverse range of high quality, nutritional dairy products. The Viplus Dairy plant is set in the Toora area of South Gippsland, Victoria, one of Australia's most famous dairy regions, with a history of over 120 years of dairy farming and production. Viplus's dairy factory and production not only comply with but surpasses Australian and international dairy regulations and standards.

Viplus Gold 60+ Adult Nutritional Formula 800g

Gold 60+ Nutritional Adult Formula is scientifically formulated and made using fresh Australian milk. It contains vital minerals and vitamins such as **Calcium** and **Vitamin D** which can support strong bones and teeth.

Our 60+ senior formulation is also a rich source of dietary fiber which plays an important role in keeping the digestive system healthy. Viplus Gold 60+ Nutritional Adult Formula has been developed with the specific dietary needs of seniors in mind.

Omega-3 fatty acids - Reduce cardiovascular risk by lowering blood triglycerides

Excellent Source of Calcium and Vitamin D - Increase bone density and strength

Excellent Source of Essential Minerals - Rich in calcium, iron, and phosphorus

High in GOS & FOS - Keep the digestive system healthy

Low in Fat - Reduce the burden of organs in middle-aged and elderly people and reduce the risk of cardiovascular disease

Directions for Use:

Recommended Servings: 2 Per Day

4 Tablespoons Milk Powder + 250ml Cooled Boiled Water

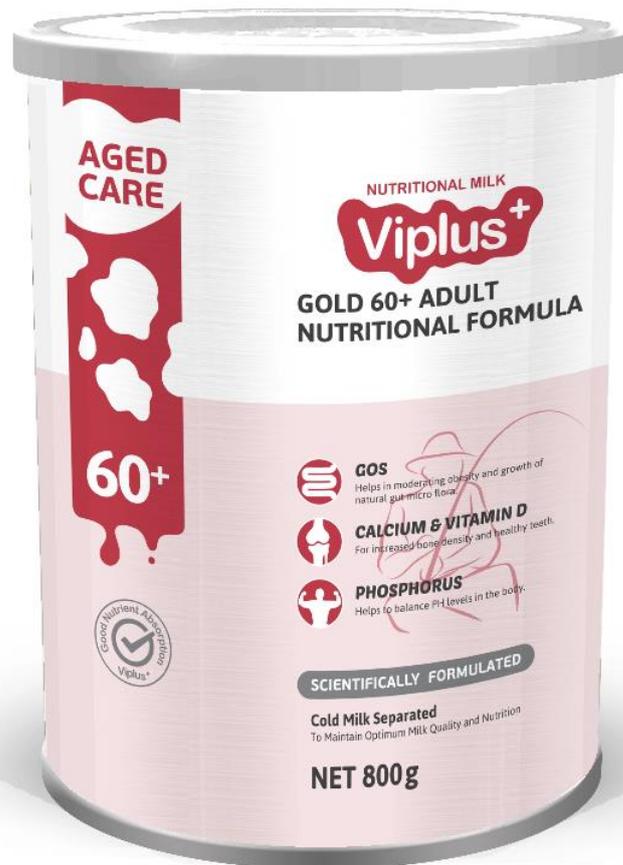

Add 4 level scoops of powder to 250ml of drinking water. Stir well until all powder is dissolved. Serve immediately, or store refrigerated for 1 hour for a cold, refreshing drink. Can be added to cold water or blended with fruit for a tasty treat. Discard mixture that has not been used within 24 hours.

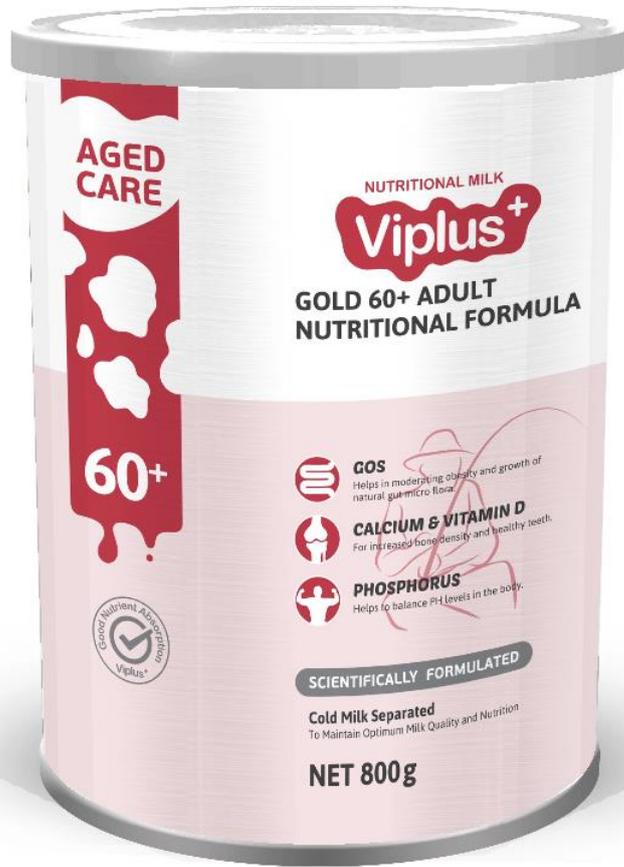

***One Enclosed Scoop = 8.5g**
